When you chose any **Thermoid Select™** belt, you've made a smart choice. All of our Select belt products have been designed and built to provide solid, long-term performance under most service conditions.

With a wide range of Thermoid Select belt products to choose from, you can be sure there's a belt size to meet your specific need. Thermoid Select offers four of the most popular belt styles including: Classical, Classical Cogged, Wedge and Wedge Cogged. Every belt in each profile has been designed and built to provide you outstanding performance and long-term service. Competitively priced, Thermoid Select belts are built tough to withstand shock and reduce fatigue.

HBD/Thermoid, Inc. has a long and established history of producing quality belt products. Using our years of belt manufacturing, technical and design know-how, along with our production expertise, HBD/Thermoid, Inc. has teamed up with an over-seas manufacturing licensee to produce the Thermoid Select belt line. Thermoid Select belts are quality-made, built to meet our specifications and give excellent service. At the same time, Thermoid Select belts are available to you and your customers at a very competitive price when compared to other imported belts. With Thermoid Select, you can have excellent, quality-made belts that provide solid performance at a price that you will like.
